

Namuun Uuruumed

UX/UI Designer

About Me

I am a recent graduate of Plekhanov University with a major in "Corporate Finance" and a rising designer. My passion for design started during my studies and since then I have been actively developing myself by studying various online courses and acquiring new skills.

Skills

Knowlegable in UX design tools
Figma and **Adobe XD**.
Proficient in Google Workspace
and Microsoft Office.
Trilingual in Russian and English.
